FOOTBALL IS BIGGER THAN THE GAME.

THREE INTERNATIONAL FOOTBALL EXPERIENCES · SÃO PAULO, BRAZIL

Beyond the Game is an immersive, developmental and cultural football experience that connects international participants with the realities of Brazilian football, life and opportunity. It is not a tourist holiday and it is not a casual soccer camp.

Participants train, watch, listen, travel and take part — on the pitch, in the stands and in the communities where Brazilian football lives. Every experience is designed to develop the person, not just the footballer.

FOOTBALL

Training, matches and the Brazilian game from within.

CULTURE

Stadiums, supporters, samba, the city and the coast.

DEVELOPMENT

Inquiry, reflection, leadership and positive action.

TALENT IS EVERYWHERE. OPPORTUNITY IS NOT.
